Measured Building Survey — 91A Peel Street, London W8 — Option 1: Identified Areas

3D laser scan of the whole property, with CAD floor plans and two sections (long / short) of the identified areas only — ground-floor garage and external forecourt, entrance vestibule and stair, first-floor rear bathroom and external terrace. Option 2 (whole-house drawings) is quoted separately.

Description	VAT	Amount GBP
Dimensional survey — 91A Peel Street, London W8 (Atomik ref 816). 3D laser scan of the whole property; CAD floor plans and two sections (one long, one short) of the identified areas only: ground-floor garage and external forecourt; entrance vestibule and stair; first-floor rear bathroom and external terrace. All visible services noted and located on the ground-floor plan; floor, ceiling, stair and roof levels recorded. Deliverables in PDF and DWG, areas in m². Whole-house scan data retained so further drawings can be added later without a return visit. One site visit; drawings issued 5–7 working days after the survey.	20%	995.00
